A fee of 50% will be charged for late entries. A change of event for a full team after entry close into a different event will be charged with a full new entry fee. Those teams will not qualify for our main prizes *Gatzweiler-Alt-Schild* or *ArGe-Cup*. Exceptions are made for a change into the next higher or lower age class, if no more than 50% of the team are changed. Also excepted are changes made by the regatta committee in the case of a lack of entries for an age class. Cox or coxswain can be swapped during the race with a crew member, provided this swap does not violate the racing terms and neither changes the age class.

The race distance is 42.8 km. The start is at marking kilometre 695 (clearly visible marking - black number on white ground) on the right hand side of the river. The finish is at marking kilometre 737.8, also on the right bank. First start is at **09:00** hrs local time. The starting order for each event will be set by a draw. Crews will be started every 90 seconds. The maximum race time limit is 3hrs 30min. Crews crossing the line after the time limit will not be considered for the results list. The prize ceremony will be at **15:30** hrs at the clubhouse of RC Germania Duesseldorf. The first three crews of each event will be honoured together.
